KIDS KINGDOM TODDLER & PARENT PROGRAM

Our program focuses on the following developmental areas: physical, emotional, social and cognitive. Our programme will help children to discover and use self-help skills as they conduct the activities, with their parent, under the following areas:

- * **Creative Arts & Dramatic Play:** art and craft projects / exposure to colors and different properties role plays using props / singing, dancing and mimicking / role plays using props / dress up
- * **Manipulative & Sensory Play:** sensory play activities / splash pool & water play / sand play / basic puzzles & block building
s / circle time / interaction with staff, parents and other children
- * **Physical Development:** Riding Scooting toys / sand play & digging / running, jumping & climbing / various fine motor activities

Milestones that we focus on in the Toddlers' experience:

- * *Increased Language development*
- * *Interest in joining groups of children*
- * *Developing fine motor control*
- * *Learning songs*
- * *Increased ability to communicate verbally*
- * *The need to have a routine*
- * *Learning through repetition*
- * *Showing more independence skills*
- * *An awareness of self and others*
- * *Desire to explore environment more freely*
